Re: The Senate Victory Fund PAC
ID Number: Coo202861

Subject: Your letter regarding Primary contribution to Pearce for Senate after the
Primary election

We have filed an amended report for July showing that the referenced contribution was
designated for campaign debts remaining from the primary election.

Attached is the letter we received today from the campaign verifying that debts did in fact
remain after the primary.

We trust this answers your inquiry.

Thanks for your assistance and guidance.
